(d) An itemized list of all expenses that the payee will be required to pay other than attorney's fees and which will be deducted from the amount paid to the payee for the transfer, including, without limitation, any commission owed to a broker, service charges, application or processing fees, costs of closing on the agreement, filing or administrative charges and fees paid to a notary public;

(e) The amount to be paid to the payee for the transfer after deducting the expenses;

(f) The amount of any liquidated damages which the payee is required to pay if he breaches the transfer agreement;

(g) The discounted present value of the payments under the structured settlement that are proposed to be transferred and the discount rate used to determine that value; and

(h) If adverse tax consequences exist, a statement which informs the payee that such a transfer may subject him to adverse tax consequences with regard to the payment of federal income tax.
